

Thank God For The Blood lyrics

By Florida Mass

Verse 1:

It was the blood, that precious blood
that made the difference at Calvary.
(It was the blood), that precious blood,
that my Savior, He shed for me.

I thank God for the blood
that came streaming down for me;
it was the blood that made
the difference at Calvary.

Verse 2:

Since I've been washed in Jesus' blood,
all of my sins are gone away.
(No more shame), I'm not the same,
my awful debt with His blood He did paid.

No one but Jesus could ever
make such a sacrifice for me;
it was the blood that made
the difference at Calvary.

Chorus:

I thank God for the blood
that came streaming down for me;
it was the the blood that made
the difference at Calvary.
